# Introduction

The reason for this user manual, is to provide the user with detailed documentation about the web system and its functionalities with pictured description of each page.

---

## Web Pages & Functionality

# General

- This is the homepage, where we can find information about the school using the admission menu , Department menu, About menu and perform certain task while logging in as either an administrator, faculty and or student.

[Admission](#)[Department](#)[About](#)[Login](#)

[Undergraduate](#)[Graduate](#)[Academic Calendar](#)[Master Schedule](#)

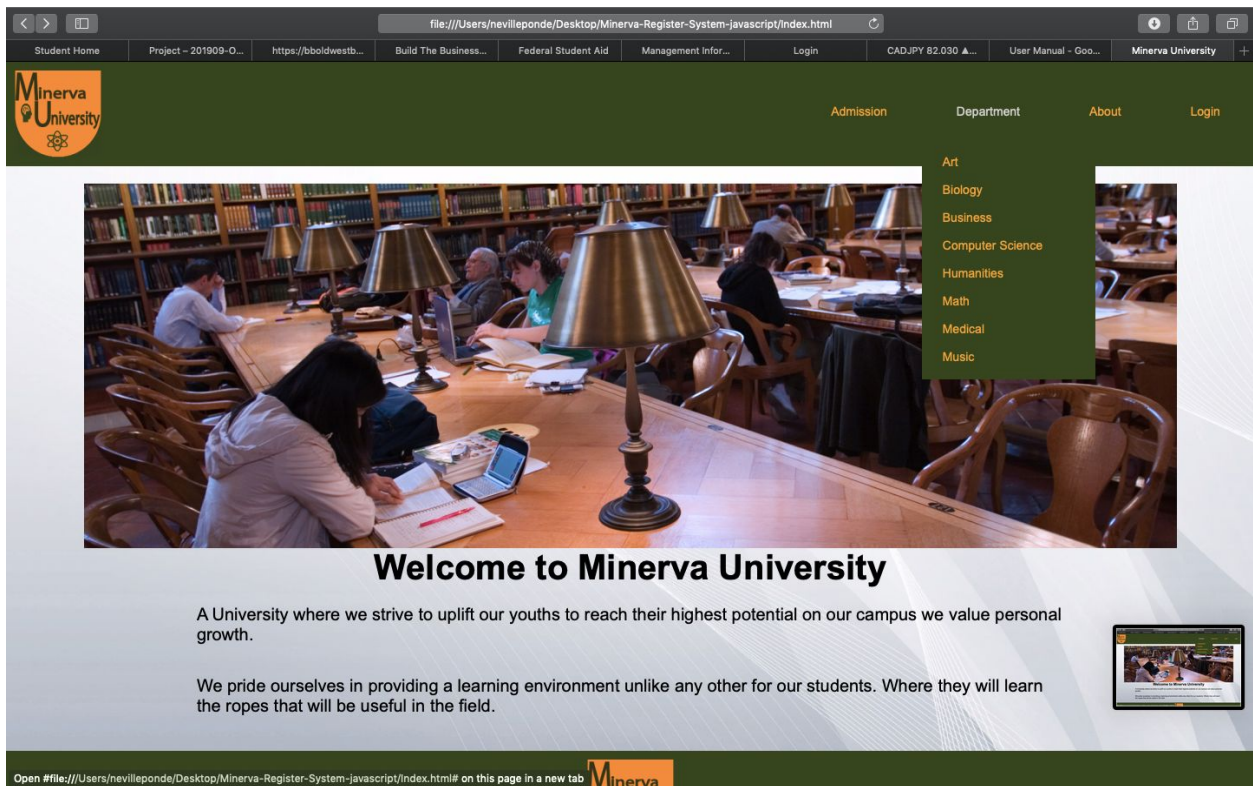

## Welcome to Minerva University

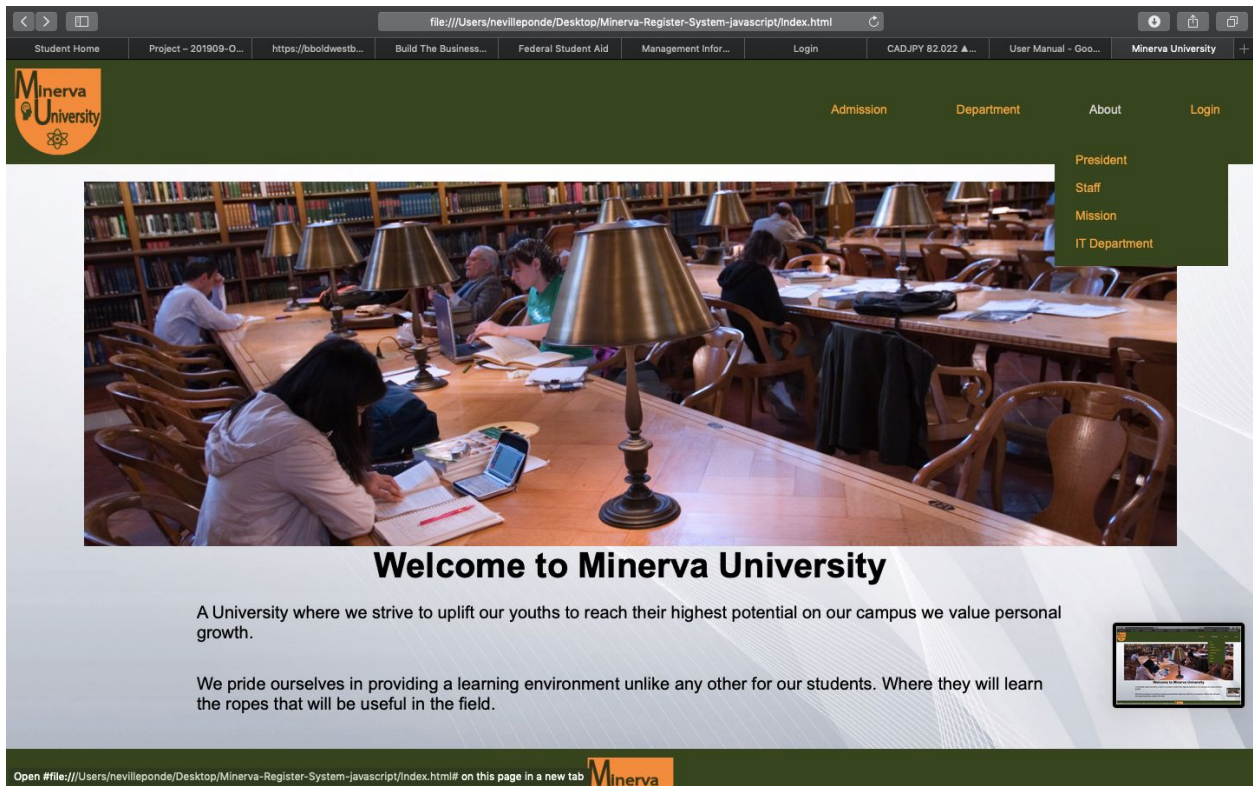

A University where we strive to uplift our youths to reach their highest potential on our campus we value personal growth.

We pride ourselves in providing a learning environment unlike any other for our students. Where they will learn the ropes that will be useful in the field.
